## EDUCATION

**KTH Royal Institute of Technology**

MS, Interactive Media Technology / 2022 -

BS, Media Technology / 2019 - 2022

## EXPERIENCE

### Coding Instructor

*Hello World! / Oct 2022 -*

At Hello World, I teach Scratch, Imagi, JavaScript and HTML/CSS to kids and teenagers of ages 8-16 at after-school programs.

### Teaching Assistant

*KTH Royal Institute of Technology / Aug 2022 -*

In the part-time role as a teaching assistant, I held help sessions for students taking the course DM1595 Program Development for Interactive Media. I also created questions on object-oriented programming for the interactive online course book.

### Research Assistant

*KTH Royal Institute of Technology / Apr 2022 - May 2022*

I was part of conducting a study to chart course and learning activities throughout KTH with relation to accessibility. The project resulted in an article which was published in EDULEARN22 Proceedings, for which I am the first author. The abstract can be read here: [library.iated.org/view/SNARBERG2022PRE](https://library.iated.org/view/SNARBERG2022PRE)

### Postal Worker

*Postnord / Sep 2017 - Aug 2022*

I worked full-time at PostNord between 2017 and 2019, with minor breaks for travelling. Since the start of my studies at KTH, I have returned to PostNord during the summers. Tasks included sorting mail and distributing it by car to companies and households.

### Editor in Chief

*KTH Royal Institute of Technology / Jul 2021 - Sep 2021*

Participated in the Media Technology Chapter's reception of new students. My main role was editor in chief of the reception's weekly magazine.

---
